EDUCATION

Bachelor of Technology (B. Tech) in Computer Science and Engineering 2022-26
Pranveer Singh Institute of Technology, Kanpur **CGPA: 7.0**

Intermediate (ISC) **75.5% | 2022**

High School (ICSE) **81.8% | 2020**

Career Objective: Computer Science student seeking an opportunity to begin my professional journey where I can improve my technical skills, gain practical experience, contribute to the organization and grow professionally.

PROJECTS

TaskFlow ↗ **github.com/saumya1694/TaskFlow** ***Node.js, Express, MongoDB, JWT, bcrypt***

- TaskFlow is a full-stack Task Management Web Application to create, update, and track tasks efficiently.
- Implemented RESTful APIs and backend logic using Node.js with secure user authentication.
- Designed a responsive UI with features like task categorization, status tracking, and real-time updates to enhance user productivity.

ChatSphere ↗ **github.com/saumya1694/ChatSphere** ***Node.js, Express, Socket.io***

- ChatSphere is a real time chat application built using HTML, CSS, JavaScript, Node.js, Express, Socket.io.
- The app allows multiple users to connect and exchange messages instantly in a full-screen WhatsApp-style interface.
- It demonstrates WebSocket communication, responsive design, and client-server interaction in a simple messaging system.

URL Shortener ↗ **github.com/saumya1694/Url-Shortener** ***HTML, CSS, JavaScript, REST API***

- Developed a responsive URL shortener to convert long URLs into short, shareable links.
- Integrated a public REST API to enable real-time URL shortening and efficient data handling.
- Implemented clean UI design and DOM manipulation for seamless user interaction and improved user experience.

SKILLS

Programming Languages: Java, JavaScript, SQL
Web Technologies: HTML, CSS, JavaScript, Responsive Design
Core Concepts: Object Oriented Programming, Database Management System, Data Structures and Algorithms, Computer Networks, Operating Systems
Frameworks & Tools: Node.js, Express.js, Spring Boot, Git, GitHub, Postman, VS Code
Database: MySQL, Oracle
Areas of Interest: Competitive Programming, Full Stack Web Development

ACHIEVEMENTS AND CERTIFICATIONS

- Achieved **Global Rank 5519 / 36,960 (Top 15%)** in **LeetCode** Biweekly Contest 162
- Solved **500+ DSA** problems on platforms like **LeetCode**, **HackerRank** , and **CodeChef**
- Rated **5★** in Problem Solving on **HackerRank**
- Qualified JEE (Main) 2022 with 86.45 percentile (Top ~14%)
- **CERTIFICATIONS**
